The CONTACT Resource Guide, a 647-page directory with over 880 agencies, contains the most comprehensive human/social service listings for Dauphin, Cumberland, and Perry Counties. The directory is indexed by Service, Target, Program and Agency. **Limited PRINT copies available February 2011.**

The CONTACT Resource Guide on CD-ROM provides the four powerful search methods for locating service providers. Users can target specific needs by searching by Taxonomy Keyword, Category, Agency and Program Name. **The CD-ROM is available only for Windows and Windows XP systems (32 bit only).**

The Support Group and Counseling Service Guide is a 138-page quick reference to over 300 support groups and counseling services available in the tri-county region. This publication is updated every six months with new versions available in January & July.
